#### **Notice of Annual General Meeting**

Dear Shareholder,

I am pleased to be writing to you with details of our Annual General Meeting ("**AGM**") which we will hold at the Company's new offices at The Walbrook Building, 25 Walbrook, London, EC4N 8AF at 2.00pm on 10 May 2017. The formal Notice of AGM is set out at Part II on pages 7 to 9 of this document. In addition to the ordinary business of the AGM, there are seven Resolutions to be considered which constitute special business. This document describes each Resolution to be proposed at the AGM.

Resolutions 1 to 14 (inclusive), 17 and 20 in the Notice of AGM will all be proposed as Ordinary Resolutions. This means that, for each of these Ordinary Resolutions to be passed, a simple majority of votes cast on a show of hands must be in favour of the Resolution or, on a poll, members representing a simple majority of the total voting rights of the members voting (in person or by proxy) must vote in favour of the Resolution.

Resolutions 15, 16, 18 and 19 in the Notice of AGM will be proposed as Special Resolutions. For each of these four Special Resolutions to be passed, not less than 75% of the votes cast on a show of hands must be in favour of the Resolution, and, on a poll, members representing not less than 75% of the total voting rights of the members voting (in person or by proxy) must vote in favour of the Resolution.

#### **ORDINARY BUSINESS**

Resolutions 1 to 13 (inclusive) constitute the ordinary business of the AGM and are described below:

#### Resolution 1 – Report and Accounts

The Directors are required to present to the AGM the Directors' Report, the Audited Statement of Accounts and Auditors' Report of the Company for the financial year ended 31 December 2016 (the "Annual Report and Accounts").

A copy of the Annual Report and Accounts is available on the Company's website at www.ipgroupplc.com/investor-relations.

#### Resolution 2 – Approval of Directors' Remuneration Report

The Directors are required to prepare an annual report detailing the remuneration of the Directors and a statement by the Chairman of the Remuneration Committee (together the "Directors' Remuneration Report"). The Company is required to seek shareholders' approval in respect of the contents of this report on an annual basis. This vote is an advisory one and does not affect the actual remuneration paid to any individual Director.

The Directors' Remuneration Report is set out in full on pages 69 to 87 of the Annual Report and Accounts.

#### Resolution 3 - Re-appointment of Auditor

This Resolution seeks to re-appoint KPMG LLP as auditor of the Company to hold office from the conclusion of the AGM until the conclusion of the next general meeting of the Company at which accounts are laid before the shareholders in accordance with the provisions of the Companies Act 2006.

#### Resolution 4 – Remuneration of Auditor

This Resolution seeks the usual authority for the Directors to fix the remuneration of the Group's auditor, KPMG LLP.

#### Resolutions 5 to 13 (inclusive) - Re-election of Directors

In line with the provisions of the UK Corporate Governance Code (September 2014) (the "Code"), being the version of the Code applicable to reporting periods beginning before 17 June 2016, all of the Directors are presenting themselves for annual re-election by shareholders at the AGM. The Directors will be proposed for re-election pursuant to separate Resolutions which, if approved, will take effect from the conclusion of the meeting. Biographical details for each of these Directors appear on pages 52 and 53 of the Annual Report and Accounts.

The Nomination Committee has considered the effectiveness of the Directors offering themselves for re-election. All the proposed appointees have been subject to a formal evaluation in the last 12 months. Following that evaluation, the Chairman confirms each of the Directors offering themselves for re-election is and continues to be valuable and effective, that each of them has demonstrated the appropriate level of commitment to his or her role and that each of the non-executive Directors continues to be fully independent in both character and judgement and there are no relationships or circumstances which are likely to affect, or which could appear to affect, their character or exercise of their judgement.

#### **SPECIAL BUSINESS**

Resolutions 14 to 20 (inclusive) all constitute the special business of the Annual General Meeting and are described below:

#### Resolution 14 – Authority to Allot Shares

The Directors were authorised to allot shares or to grant rights in respect of shares in the Company at the Annual General Meeting in 2016 ("2016 AGM"), but their authorisation expires at the end at this AGM. Accordingly, this Resolution seeks to renew the Directors' authority to allot shares and to grant such rights. This authority is limited to the amount set out in paragraph (a) of the Resolution, being approximately one third of the issued ordinary share capital as at 5 April 2017, the latest practicable date prior to the publication of the Notice of AGM.

In addition to the above authority and in accordance with the guidance issued by the Investment Association on authority to allot, paragraph (b) of this Resolution seeks to authorise the Directors to allot equity securities of the Company in connection with a fully-pre-emptive rights issue only. This authority is limited to the amount set out in paragraph (b), being approximately a further one third of the total ordinary share capital in issue as at 5 April 2017 (the latest practicable date prior to the publication of the Notice of AGM). This authority will allow the Company to implement a rights issue of up to an amount equal to one third of share capital without needing a separate shareholders' meeting.

As at 5 April 2017, the Company did not hold any shares in the Company in treasury. The above authorities will remain in force until the conclusion of the Company's 2018 Annual General Meeting or 1 August 2018, whichever is the earlier.

The purpose of giving the Directors such authorities is to maintain the Company's flexibility to take advantage of any appropriate opportunities that may arise. The authorities are in line with quidelines issued by the Investment Association.

#### Resolution 15 - Disapplication of Pre-emption Rights

Paragraph (a) of this Resolution, which will be proposed as a Special Resolution, seeks to renew the authority conferred on the Directors at the 2016 AGM to issue equity securities of the Company for cash without first offering them to existing shareholders in proportion to their existing shareholdings. Other than in connection with a rights issue, the authority contained in this Resolution will be limited to an aggregate nominal value of £565,221.97 which represents approximately 5% of the Company's issued ordinary share capital as at 5 April 2017, being the latest practicable date prior to the publication of the Notice of AGM. Paragraph (b) of this Resolution seeks authority to issue equity securities for cash free from statutory pre-emption rights in connection with a rights issue (as defined in Resolution 14) pursuant to Resolution 14 (b).

The renewed authority will remain in force until the conclusion of the Company's 2018 Annual General Meeting or 1 August 2018, whichever is the earlier.

The Directors intend to adhere to the provisions in the Pre-Emption Group's Statement of Principles, as updated in March 2015, and not to allot shares for cash on a non-pre-emptive basis pursuant to the authority in Resolution 15:

- (i) in excess of an amount equal to 5% of the total issued ordinary share capital of the Company excluding treasury shares; or
- (ii) in excess of an amount equal to 7.5% of the total issued ordinary share capital of the Company excluding treasury shares within a rolling three-year period, without prior consultation with shareholders,

in each case other than in connection with an acquisition or specified capital investment which is announced contemporaneously with the issue or which has taken place in the preceding six-month period and is disclosed in the announcement of the allotment.

#### Resolution 16 – Further Disapplication of Pre-emption Rights

The Pre-Emption Group's Statement of Principles allow the annual disapplication of pre-emption to not only include 5% of issued share capital on an unrestricted basis as set out in Resolution 15 but also an additional 5% of issued share capital to be used for an acquisition or specified capital investment. This Resolution seeks such authority.

#### Resolution 17 - Political Expenditure

Although it has been the Company's practice not to incur political expenditure or otherwise to make payments to political parties and it intends that this will remain the case, the Directors are proposing to renew the authority obtained at the 2016 AGM to incur political expenditure in the terms of Resolution 17 as a precautionary measure, in case any of its normal operating activities are caught by the broad definition of political expenditure contained in section 365 of the Companies Act 2006. This authority is to be capped at £50,000.

#### Resolution 18 – Authorisation to Make Market Purchases

The Company is seeking a limited authority to make purchases in the market of its own shares as permitted by the Companies Act 2006. The authority limits the number of shares which the Company may purchase pursuant to this authority to a maximum of 56,522,196 ordinary shares (being approximately 10% of the Company's issued ordinary share capital as at 5 April 2017, being the latest practicable date prior to the publication of the Notice of AGM) and sets maximum and minimum prices.

The Companies Act 2006 allows the Company to hold shares which have been repurchased as treasury shares and either re-sell them for cash, cancel them (either immediately or in the future) or use them for the purposes of its employee share schemes. This provides the Company with additional flexibility in the management of its share capital. No dividends will be paid on, and no voting rights will be exercised in respect of, treasury shares.

In seeking this authority the Directors are not indicating any commitment to buy back any of the Company's shares. The Directors will only exercise the authority if, in the light of market conditions prevailing at the time, they consider that the purchase of shares can be expected to result in an increase in earnings or net assets per share and is in the best interests of the Company's shareholders generally. The Directors do, however, consider it desirable for this authorisation to be available to provide flexibility in the management of the Company's capital reserves. This authority shall (unless previously renewed or revoked) expire on the earlier of the Company's 2018 Annual General Meeting and 1 August 2018.

#### Resolution 19 - Notice of General Meetings

At the 2016 AGM and pursuant to the ability in the Companies Act 2006 to do so, a resolution was passed as a Special Resolution that the minimum period of notice for all general meetings (other than Annual General Meetings) be reduced from 21 clear days' notice to not less than 14 clear days' notice. The Directors wish to continue to preserve this ability and, accordingly, Resolution 19 proposes a renewal of that Resolution. This reduced notice period will not be used as a matter of routine for general meetings but only where, taking into account all of the circumstances (including whether the business of the meeting is time sensitive), the Directors consider it appropriate. The approval of Resolution 19 will be effective until the conclusion of the Company's 2018 Annual General Meeting when it is intended that a similar Resolution will be proposed. The provisions of the Companies Act 2006 require that, in order for the Company to use this ability to call a general meeting on less than 21 clear days' notice, it will also need to make a means of electronic voting available to shareholders for that meeting.

#### Resolution 20 - Directors' Fees

The articles of association of the Company adopted on 27 April 2010 ("**Articles**"), currently allow the payment of Directors' fees in accordance with article 91 up to an aggregate amount of £250,000 per annum.

In order to obtain sufficient flexibility for the future and to reflect current market practice for similar sized companies, the Company is seeking authority to increase the maximum aggregate amount that may be paid to Directors to £500,000 per annum. The Company expects that the aggregate fees paid to Directors will remain below the new limit for the foreseeable future and the actual fees paid to Directors will be disclosed in the Directors' Remuneration Report. The Articles provide that this increase may be effected by an ordinary resolution.

## **◆Part II** continued

For the purposes of this Resolution 14 and Resolution 15 below, "rights issue" means an offer to ordinary shareholders in proportion (as nearly as may be practicable) to their existing holdings (and, if applicable, to the holders of any other class of equity security in accordance with the rights attached to such class) to subscribe for further securities by means of the issue of a renounceable letter (or other negotiable document) which may be traded for a period before payment for the securities is due, subject to such exclusions or other arrangements as the Directors may deem necessary or expedient in relation to fractions of such securities, the issue, transfer and/or holding of any securities in certificated form or in uncertificated form, the use of one or more currencies for making payments in respect of such offer, any such shares or other securities being represented by depositary receipts, treasury shares or any legal or practical problems arising under the laws of, or the requirements of any regulatory body or any stock exchange in, any territory.

  - (a) pursuant to the authority conferred on the Directors by paragraph (a) of Resolution 14:
    - (i) to or in connection with any rights issue, open offer or other pre-emptive offer, open for acceptance for a period determined by the Directors, to the holders of ordinary shares on the register on any fixed record date in proportion (as nearly as may be practicable) to their holdings of ordinary shares (and, if applicable, to the holders of any other class of equity security in accordance with the rights attached to such class), subject to such exclusions or other arrangements as the Directors may deem necessary or expedient in relation to fractions of such securities, the issue, transfer and/or holding of any securities in certificated form or in uncertificated form, the use of one or more currencies for making payments in respect of such offer, any such shares or other securities being represented by depositary receipts, treasury shares or any legal or practical problems arising under the laws of, or the requirements of any regulatory body or any stock exchange in, any territory; and

References herein to the allotment of equity securities shall include the sale of treasury shares (within the meaning of section 724 of the Act).   - (a) limited to the allotment of equity securities or sale of treasury shares up to a nominal amount of £565,221.97 (representing approximately 5% of the nominal value of the issued ordinary share capital of the Company as at 5 April 2017, being the last practicable date prior to the publication of this notice of meeting); and

- 3. The return of a completed proxy form, other such instrument or any CREST Proxy Instruction (as described in paragraph 9 below) will not prevent a shareholder attending the Annual General Meeting and voting in person if he/she wishes to do so.
- 4. Any person to whom this notice is sent who is a person nominated under section 146 of the Companies Act 2006 to enjoy information rights (a "Nominated Person") may, under an agreement between him/her and the shareholder by whom he/ she was nominated, have a right to be appointed (or to have someone else appointed) as a proxy for the Annual General Meeting. If a Nominated Person has no such proxy appointment right or does not wish to exercise it, he/she may, under any such agreement, have a right to give instructions to the shareholder as to the exercise of voting rights. Such persons should direct any communications and enquiries to the registered holder of the shares by whom they were nominated and not to the Company or its registrars.
- 5. The statement of the rights of shareholders in relation to the appointment of proxies in paragraphs 1 and 2 above does not apply to Nominated Persons. The rights described in these paragraphs can only be exercised by shareholders of the Company.
- 6. To be entitled to attend and vote at the Annual General Meeting (and for the purpose of the determination by the Company of the votes they may cast), shareholders must be registered in the Register of Members of the Company at the close of business on 8 May 2017 (or, if the Annual General Meeting is adjourned, such time being not more than 48 hours prior to the time fixed for the adjourned meeting). CREST Personal Members or other CREST sponsored members, and those CREST members who have appointed a service provider(s), should refer to their CREST sponsor or voting service provider(s), who will be able to take the appropriate action on their behalf.
- 9. In order for a proxy appointment or instruction made using the CREST service to be valid, the appropriate CREST message (a "CREST Proxy Instruction") must be properly authenticated in accordance with Euroclear UK and Ireland Limited's specifications, and must contain the information required for such instruction, as described in the CREST Manual (available via www.euroclear.com/CREST). The message, regardless of whether it constitutes the appointment of a proxy or is an amendment to the instruction given to a previously appointed proxy must, in order to be valid, be transmitted so as to be received by the issuer's agent (CREST ID No. RA10) by 2.00pm on 8 May 2017. For this purpose, the time of receipt will be taken to be the time (as determined by the time stamp applied to the message by the CREST Application Host) from which the issuer's agent is able to retrieve the message by enquiry to CREST in the manner prescribed by CREST. After this time any change of instructions to proxies appointed through CREST should be communicated to the appointee through other means.

- 10. CREST members and, where applicable, their CREST sponsors, or voting service providers should note that Euroclear UK and Ireland Limited does not make available special procedures in CREST for any particular message. Normal system timings and limitations will, therefore, apply in relation to the input of CREST Proxy Instructions. It is the responsibility of the CREST member concerned to take (or, if the CREST member is a CREST personal member, or sponsored member, or has appointed a voting service provider, to procure that his CREST sponsor or voting service provider(s) take(s)) such action as shall be necessary to ensure that a message is transmitted by means of the CREST system by any particular time. In this connection, CREST members and, where applicable, their CREST sponsors or voting system providers are referred, in particular, to those sections of the CREST Manual concerning practical limitations of the CREST system and timings.
- 11. The Company may treat as invalid a CREST Proxy Instruction in the circumstances set out in Regulation 35(5)(a) of the Uncertificated Securities Regulations 2001.
- 12. Any corporation which is a member can appoint one or more corporate representatives who may exercise on its behalf all of its powers as a member provided they do not do so in relation to the same shares.
- 13.
